

## GB GMOPLUS GLOBAL DIGITAL BADGE AND IDENTITY VERIFICATION AGREEMENT

**Effective Date:** 2025

**Version:** v1.0 – English

### Parties:

- **GMOPLUS Teknoloji A.Ş.** (a legal entity governed by the laws of the Republic of Türkiye),
  - **GMOPLUS GmbH** (a legal entity governed by the laws of the Federal Republic of Germany),
  - and the **User / Participant / Institution / Business Partner** who electronically accepts this Agreement (hereinafter referred to as the “Party”).
- 

## 1. PURPOSE AND SCOPE

This Agreement defines the rights, obligations, and responsibilities regarding the use of **digital identity, badge, recognition, and verification services** provided by **GMOPLUS Global**.

Within this framework, GMOPLUS Global provides:

- Personal or institutional **digital badges** and **identity profiles**,
  - The operation of the verification platform **verify.gmoplus.com**,
  - The secure management and sharing of verified identities and credentials,
  - Support for internationally recognized professional and corporate digital identities.
- 

## 2. DEFINITIONS

- **GMOPLUS:** collectively refers to GMOPLUS Teknoloji A.Ş. and GMOPLUS GmbH.
  - **User:** any individual or legal entity possessing a digital identity or badge within the GMOPLUS Global system.
  - **Badge:** a digital mark or credential issued by GMOPLUS based on achievements, competencies, training, or work experience.
  - **Verification System:** the platform operated by GMOPLUS for authenticating the validity and integrity of digital credentials ([verify.gmoplus.com](http://verify.gmoplus.com)).
  - **Profile Page:** the digital identity page where the user's badges, certificates, and achievements are displayed within the GMOPLUS Global ecosystem.
- 

## 3. SCOPE OF SERVICES

GMOPLUS Global provides the following services:

- Creation, issuance, and management of digital badges,
- Verification and approval of user identities,

- QR code / blockchain-based verification of badges, certificates, and credentials,
- Badge and identity integration for brands, educational institutions, and corporate partners,
- API access for third-party verification services.

GMOPLUS acts solely as a **technical verification provider** and is not responsible for the accuracy or authenticity of content supplied by third parties or external organizations.

---

## 4. OBLIGATIONS OF THE PARTIES

### 4.1. Obligations of GMOPLUS

GMOPLUS shall:

- Maintain a secure and stable digital badge and identity system,
- Protect data integrity and user confidentiality,
- Ensure continuous operation of the **verify.gmoplus.com** platform,
- Act neutrally and transparently in all verification and identification processes.

### 4.2. Obligations of the User

The User shall:

- Ensure the accuracy and legitimacy of their identity and badge information,
- Use GMOPLUS-issued digital badges only on authorized platforms,
- Not transfer, falsify, or manipulate badges or identity data,
- Use the GMOPLUS platform solely for lawful and ethical purposes.

### 4.3. Obligations of Corporate Partners

Corporate partners shall:

- Accurately declare badge and identity data integrated into the GMOPLUS system,
- Avoid unauthorized data sharing, commercial manipulation, or misuse,
- Use the GMOPLUS API only in accordance with the contractual terms.

---

## 5. FEES AND SERVICE TERMS

- Badge and identity verification services may be free or paid, depending on the program type.
- Corporate integrations and API access are subject to separate fees.
- GMOPLUS may charge a **service fee or commission** for certain verification services.
- Users are required to make payments through GMOPLUS's secure payment infrastructure.

---

## 6. INTELLECTUAL PROPERTY RIGHTS

- The GMOPLUS brand, logos, badge templates, identity structures, and verification algorithms are the exclusive property of GMOPLUS.
- Users may not copy, reproduce, or distribute these materials without written authorization from GMOPLUS.

- Even when badge content belongs to the user, the verification technology and visual format remain GМОPLUS intellectual property.
- 

## 7. CONFIDENTIALITY AND DATA PROTECTION

- GМОPLUS processes digital identity data in compliance with **KVKK (Türkiye)** and **GDPR (EU)** regulations.
  - User identity, certificate, and achievement data are shared only with explicit user consent.
  - GМОPLUS shall obtain written consent before sharing badge or identity information with any third party.
- 

## 8. TERM AND TERMINATION

- This Agreement becomes effective upon electronic acceptance by the user.
  - The user may terminate the Agreement by closing their account.
  - GМОPLUS reserves the right to terminate the Agreement immediately in the following cases:
    - a) False or misleading information provided,
    - b) Misuse or abuse of the GМОPLUS platform,
    - c) Violation of intellectual property rights,
    - d) Unauthorized access to API or data.
- 

## 9. DISPUTE RESOLUTION AND JURISDICTION

In case of a dispute, the parties shall first attempt to reach an amicable settlement.

If no settlement is achieved:

- For users based in **Türkiye**, the **Courts and Enforcement Offices of Ankara** shall have jurisdiction,
  - For users based in **Germany and other countries**, the **Regional Court of Munich (Landgericht München)** shall have jurisdiction.
- 

## 10. EFFECTIVENESS AND CONFIRMATION

This Agreement takes effect upon electronic confirmation by both parties.

After acceptance, a **digitally signed PDF copy** is automatically generated and sent to both parties via email.

This Agreement constitutes an **integral part of the GМОPLUS Global General Terms of Use**.
